Sexy Sophie to keep her shirt on

HOLLYWOOD starlet **Sophie Monk** will be in Melbourne next week to flog a new range of support underwear, but get a look at her enviable figure while you can.

The blonde seems to have suddenly gone shy since posing naked for PETA (People for the Ethical Treatment of Animals), shooting an ad campaign for her own lingerie range (above) and filming a sex scene in TV's *Entourage* and a nude romp in the flick *Sex and Death 101*?

Organisers of next Thursday's Hollywood Fashion

Shapes and Bodywear Collection launch at Docklands say Monk herself won't strip to smalls from the range.

The cover-up is despite her earning a six-figure fee to spruik the brand.

Another home-grown hottie returning to our shores is model **Alyssa Sutherland**.

She'll be back from the catwalks of New York next Wednesday just to attend a dinner in Sydney in aid of the White Shirt campaign for the Ovarian Cancer Research Foundation.
